Commencement Speaker

Mr. Sessions Harlan

Sessions Harlan's journey is one of athletic excellence and profound community service. Originally from Detroit, Michigan, he made his mark at Iowa Central Community College (then Fort Dodge Junior College) as a standout men's basketball player from 1966 to 1968.

A two-time All-Region selection, Sessions helped lead his team to a fifth-place finish in the national tournament. His tremendous athletic ability and respected character left a lasting impression on teammates, fans, and the community. In recognition of his contributions, he was inducted into the Iowa Central Triton Athletic Hall of Fame as part of the Class of 2022.

Sessions continued his success at Weber State University, helping lead the team to two conference championships and two NCAA Tournament berths. A two-time All-Conference player, he was inducted into the Weber State University Athletic Hall of Fame in 2014. The 1968–69 team he played on finished 27–3, the best record in school history and earned the first NCAA Tournament victory for a Big Sky Conference team. He later had the opportunity to try out for the Denver (Rockets) Nuggets in 1978.

While at Weber State, Sessions was named one of the Outstanding College Athletes of America, earned First Team All-Big Sky honors, and competed in track and field as a high jumper and long jumper. He was also invited twice to Harlem Globetrotters training camp and currently serves on the Weber State Emeritus Alumni Council.

Beyond athletics, Sessions built a career rooted in leadership and service. He coached at the University of Colorado Boulder from 1972 to 1976 before dedicating 30 years to the Denver Police Department. He served on the SWAT team for a decade, rising to Sergeant, and later became a Detective Sergeant in the Crimes Against Persons Division. Additionally, Sessions provided security for the NFL for 13 years, the NBA for 7 years, and the Denver Nuggets for 3 years. Notably, he served as personal security for Muhammad Ali during the boxing legend's visits to Denver.

He is a proven leader, mentor, and an outstanding role model. Even in his golden years, Sessions Harlan continues to make a difference. In 2023, he received the Citizen Commendation Award from Vantage Point High School, where he serves as a campus security guard. He lives his life's mission daily by helping others in difficult situations, always finding a way to create the best outcome possible.

History of Iowa Central

Iowa Central was built on the firm foundation of three area junior colleges which had been operating since the 1920's by the local public school systems. They were Fort Dodge, organized in 1921; Webster City, 1926; and Eagle Grove, 1928. When Iowa lawmakers enacted legislation decades ago establishing the new community college system in Iowa, Iowa Central and its leadership reacted swiftly and Iowa Central Community College was founded in 1966. Since our humble beginnings, Iowa Central has experienced much success over the years and we pride ourselves in being a premier community college in Iowa. As a leader in education and workforce training, Iowa Central remains a catalyst in our region's vitality. Iowa Central's future is bright as we continue to excel in every avenue of securing the future of the students we serve in our region and beyond. Currently, Iowa Central has locations in Fort Dodge, Webster City, and Storm Lake and Career Academies in Fort Dodge, Eagle Grove, Jefferson, and Laurens.
